We set sail to find an untouched sandbank an hour away from Stone Town. Swim in the crystal clear blue water around the sandbank and snorkel to discover a whole new underwater world filled with marine life and corals of brilliant colours. Tables are

set out on the golden sand and a five star seafood lunch extravaganza, prepared by the talented chefs from the Zanzibar Serena Inn will await you. After lunch relax on the sandbank listening to the hush of waves lapping against the shore or discover more underwater life around it and listen to stories from our crew about sailing the seven seas.

Then sail off to Prison Island. It is now home to a tortoise sanctuary, the prison ruins and a hotel. Watch the giant tortoises shuffle through the trees, with the patience that old age brings.
